2016-2017
Childcare Expense Adjustment

Student's Name _____

(9 digit) MSU ID _____

You are requesting that we include the childcare expenses that you pay/paid for your dependent child/children. To be considered, your children must be less than 12 years old, and you must pay the childcare while enrolled in MSU classes (may include class time, study time, fieldwork, internships, and commuting time).

You must submit a new Childcare Expense Adjustment form each year. Adjustment will not exceed the regional average childcare costs.

****Please note that an adjustment in your cost of attendance does not guarantee additional eligibility for financial aid****

Requirements:

- Student has registered for MSU classes
- Student has completed 2016-2017 FAFSA and listed MSU school code 002423 for results to be sent to MSU
- Student must sign this form
- Childcare provider must sign the Certification statement below

***** Verification of your FAFSA information must be completed before adjustments can be made. Check your eligibility requirements on your MSU MyState Portal to see which documents are required for verification. Also, please regularly check your MSU email to see if you need to submit additional documentation.***
