MSU ID (9-digit)

An MSU degree-seeking student who participates in an MSU sponsored or affiliated Study Abroad program is eligible to apply for Financial Aid to help cover the required costs. The amount of aid received for Study Abroad is dependent upon the individual student's eligibility at the time of application. A student planning to participate in a Study Abroad program through an organization or school that has no affiliation or consortium agreement in place with MSU is not eligible to receive Financial Aid through MSU for the program. Due to federal student aid program limits, the inclusion of Study Abroad expenses may not result in additional eligibility.
